

***Dependent Care Subsidy
For
Town Meeting members***

Are you paying for babysitting or any type of care-giving of an elderly or disabled family member to allow you to come to Town Meeting? If so, you can be reimbursed (at least in part) by the Town which has set aside funds for this purpose. The amount of reimbursement you would receive depends on the number of families submitting receipts for reimbursement. If you wish to receive this subsidy, have your care-giver or babysitter provide you with a receipt, then bring that receipt with you to the Select Board Office of Town Hall for reimbursement. For more information about how this process has worked in the past, you can contact Carol Gray, phone: 256-0433.
